

Geogebra Icons

Toolbar

Icon	Description	Location
	Move	Located under that first icon on the left
	Rotate Around a Point	Located under that first icon on the left
	Record to Spreadsheet	Located under that first icon on the left
	New Point	Located under the icon that is second from the left
	Intersect Two Objects	Located under the icon that is second from the left
	Midpoint or Center	Located under the icon that is second from the left
	Line through Two Points	Located under the icon that is third from the left
	Segment between Two Points	Located under the icon that is third from the left
	Segment with Given Length from Point	Located under the icon that is third from the left
	Ray through Two Points	Located under the icon that is third from the left
	Vector between Two Points	Located under the icon that is third from the left
	Vector from Point	Located under the icon that is third from the left
	Perpendicular Line	Located under the icon that is fourth from the left
	Parallel Line	Located under the icon that is fourth from the left
	Perpendicular Bisector	Located under the icon that is fourth from the left
	Angle Bisector	Located under the icon that is fourth from the left

	Tangents	Located under the icon that is fourth from the left
	Polar or Diameter Line	Located under the icon that is fourth from the left
	Best Fit Line	Located under the icon that is fourth from the left
	Locus	Located under the icon that is fourth from the left
	Polygon	Located under the icon that is fifth from the left
	Regular Polygon	Located under the icon that is fifth from the left
	Circle with Center through Point	Located under the icon that is sixth from the left
	Circle with Center and Radius	Located under the icon that is sixth from the left
	Compass	Located under the icon that is sixth from the left
	Circle through Three Points	Located under the icon that is sixth from the left
	Semicircle through Two Points	Located under the icon that is sixth from the left
	Circular Arc with Center between Two Points	Located under the icon that is sixth from the left
	Circumcircular Arc through Three Points	Located under the icon that is sixth from the left
	Circular Sector with Center between Two Points	Located under the icon that is sixth from the left
	Circumcircular Sector through Three Points	Located under the icon that is sixth from the left
	Ellipse	Located under the icon that is seventh from the left
	Hyperbola	Located under the icon that is seventh from the left
	Parabola	Located under the icon that is seventh from the left
	Conic through Five Points	Located under the icon that is seventh from the left
	Angle	Located under the icon that is fourth from the right
	Angle with Given Size	Located under the icon that is fourth from the right
	Distance or Length	Located under the icon that is fourth from the right

	Area	Located under the icon that is fourth from the right
	Slope	Located under the icon that is fourth from the right
	Reflect Object About Line	Located under the icon that is third from the right
	Reflect Object about Point	Located under the icon that is third from the right
	Reflect Point about Circle	Located under the icon that is third from the right
	Rotate Object around Point by Angle	Located under the icon that is third from the right
	Translate Object by Vector	Located under the icon that is third from the right
	Dilate Object from Point by Factor	Located under the icon that is third from the right
	Slider	Located under the icon that is second from the right
	Check Box to Show/Hide Objectes	Located under the icon that is second from the right
	Insert Text	Located under the icon that is second from the right
	Insert Image	Located under the icon that is second from the right
	Relation between Two Objects	Located under the icon that is second from the right
	Move Drawing Pad	Located under the icon that is rightmost
	Zoom In	Located under the icon that is rightmost
	Zoom Out	Located under the icon that is rightmost
	Shoe/Hide Object	Located under the icon that is rightmost
	Shoe/Hide Label	Located under the icon that is rightmost
	Copy Visual Style	Located under the icon that is rightmost
	Delete Object	Located under the icon that is rightmost
