

Trigonometry

How to turn in the two geogebra projects:
We'll use the flash drive named MRDSZIPTIES
and the file structure shown at the right.

Within folder "Picture of something tall"
there are subfolders labeled A1, A3, A4, B1.
Within the appropriate folder save your file
using the following name format

Last Name.First Name.Block.Project

Make sure you are finished with the project
before you turn it in.

To check that you have satisfied the criteria,
go to

<http://www.johndilsaver.com/trigonometry/geogebra.project.1.pdf> (for the first project), and
<http://www.johndilsaver.com/trigonometry/graphing%20with%20geogebra.10.2.2012.pdf> for the
second

Due dates

first project, Friday, Nov 30

second project Friday, Dec 7
